2/14/2018 16:18:48	A Star		Comfortable to wear, fit for all activities.
2/14/2018 16:55:55	A Wish	The traditional white PE shirt is easily to get dirty. A darker colour would be better.	
2/14/2018 16:57:45	A Star		Na
2/14/2018 17:35:30	A Wish	Please consider to use other color for the hat as black color absorbs heat. It may not be nice to wear during hot days.	
2/14/2018 18:13:44	A Wish	The brown color did not look smart as the previous red one	
2/14/2018 18:40:30	A Wish	Unity of colours. Outfit doesn't work colour-wise. No coherence	
2/14/2018 21:53:56	A Wish	cap blocks sunlight to the face better than hat so still prefers cap, and wish it could be mesh cap to make it not too hot to wear considering long and hot summer in hk	
2/14/2018 22:18:17	A Star		Easier to manage with ironing. Allows children more freedom to move about. Less stricted
2/15/2018 11:28:02	A Wish	Keeping the fleece is a good idea, as kid doesn't like the 2-way red jacket, it's a bit bulky.	
2/19/2018 15:09:11	A Wish	I hope we can keep the cardigan and fleece so I can arrange these clothes to my children based on the weather. Otherwise, the parents just arrange the children to put on their personal clothes. I think the colours may not match with some of the current items. For the size, as Y1 is only 5 years old, can we have the size of 100 that fits better.	
2/19/2018 18:17:36	A Wish	The current design of the uniform is actually nice!	
2/21/2018 11:46:06	A Wish	like to have long sleeve PE T shirt for winter as an option as there is now only short sleeves PE T	
2/22/2018 22:37:11	A Wish	Sometimes the kids need to represent the school in competitions and they need to be presentable. At my daughter's next speech competition, I can't imagine her wearing a tracksuit to represent our school? It may not look smart enough for the judges and may affect her gradings. I love the idea of wearing the new uniform on a daily basis though. I'm just thinking of "presentation" at formal events. Just something to consider. In addition, the white top does not contrast well with the black bottom. Might look a bit sloppy, like the black bottom is an afterthought? RC's uniform, is smart casual and it looks really nice, even for formal presentation. Perhaps we could follow it in some ways but in red/maroon tones? But only my humble opinion. Thanks for helping parents save on costs!	
2/23/2018 16:53:25	A Wish	I wish it had come in sooner so that our children could have lived it.	
2/26/2018 23:30:07	A Star		The new hoodie which is a trend nowadays for kids.
2/27/2018 21:50:16	A Wish	comfortable and easy to wash	
2/28/2018 13:23:22	A Wish	Children should have a more colorful life, the uniform is just to dark in color. Can consider use more color related to house color?	
2/28/2018 13:38:32	A Star		
2/28/2018 14:24:28	A Star		The new uniform is more simplicity, easy to carry and the colour is great, looks smart!
2/28/2018 15:45:24	A Wish	Simplifying the school uniform items is good, but please allow some transitional period for all years, and I think should keep the fleece (for warmth in winter) and cardigan (for summer air-con rooms and early winter).	
2/28/2018 18:06:42	A Star		no others

2/28/2018 21:14:43	A Wish	<p>1, HAT: Black hat could be very hot in the summer if made in the same old cap cotton material. Suggest to use dry fit/ breathable material if BLACK is a must colour.</p> <p>2, T shirt: Would be great to have an additional white long sleeve T in the same material as the polo shirt either 1, round neck to be worn under the polo shirt during cooler days or 2, a long sleeve polo shirt.</p> <p>The black hoodie could be too warm indoor or the current polo shirt too cold during spring/ autumn time. Currently most of the students do wear an additional long sleeve under the polo shirt during the cold days. It would be superb to have something official in between. [1]</p>	
2/28/2018 21:17:56	A Wish [2]	The colour is too dark and specially not good for summer time [3]	Seems comfortable and good quality
2/28/2018 23:15:14	A Wish	<p>The colour ssheme of the new uniform is not in coordination. I prefer the colours are for example , lion is in yellow, white and organge or banyan is in brown, beige and white, etc.</p> <p>I will expect my daughters to wear in elegant and formal dresses whenever representing SJS such as during assembly, graduation or special occasions. It is the identity of SJS. Children should behave as SJS students when wearing it. Please consider to design the uniform in a formal and elegant style for students in generations to come. They should be proud of their uniform.</p>	
3/5/2018 13:55:15	A Star		Colour
