

**Hands-on Science
Projects after every class!**

SCIENCE ADVENTURES

Every Wednesday 3:00 - 4:00p.m.

Term 1 Sessions:

Sep 4, 11, 18, 25

Oct 2, 16, 30

Nov 6, 13, 20, 27

Dec 4

Course fee: \$2,880 for 12 Sessions

Physics Fanatics

Physics Fanatics is an exciting adventure into the world of motion and energy - a journey into the world of physics! Unlock the mysteries of electricity, light and motion by exploring the amazing world of physics. From the pull of gravity to the hidden power of electrons, Newton never knew physics like this!

Animal Encounter

In the ocean or in the air, doesn't matter where, home is where the habitat is! The children dive through the depths and dig through the dirt as they discover the weird and wonderful homes of different creatures. Join us as we unearth some of the world's most amazing habitats!

**Bring something delicious
home after class!**

STORMY CHEFS

Every Friday 3:00 - 4:00p.m.

Term 1 Sessions:

Oct 4, 18, 25

Nov 1, 8, 15, 22, 29

Dec 6

Course fee: \$3,120 for 13 Sessions

**Cook up a Storm!
Take Home yummies
Every Class!**

This year our Stormy Chefs will explore amazing and child friendly recipes of EATING A RAINBOW - Color is one of the best cues of nutritional density. Eating a rainbow of foods, especially fruits and veggies, is a great way for a healthy lifestyle. Stormy Chefs will be especially designing delectable recipes and focusing on this rainbow concept to provide children with a wide variety of nutritious food options. We will certainly help your child eat right with COLORS!

Brand New Recipes in each Term & everyone will receive Recipes Booklet and an Apron!!

Course fee: \$2,800 for 10 Sessions

With over 55 years of developing educational materials in Japan, our RoboCode program is top notch and one-of-a-kind. We also use an award-winning, patented building module to add on to our dynamic course. We guide children to become systematic and logical thinkers.

Coding Kids

Equipped with a patented construction system and an open-source programming environment, children will use their creativity to build their own robots and to code.

Students are required to bring their own laptop for class (Mac / Windows)
