

29th August 2018

Dear all,

**Raffle Donation Fair 2019
(18th January 2019)**

The School Fair is a highlight of STC/SJS school life, providing an opportunity for the communities of both schools to come together, meet friends, enjoy a festive occasion, and raise funds for school projects. The plan for next year is to hold the Fair on the evening of Friday 18 January, 2019. The event will follow a "Night Market" format.

The funds raised provide for extras that are outside of the regular school budget. In Sha Tin College, these funds have been used for upgrading and replacing the sound and ICT equipment in the School Hall. The focus for SJS has been to contribute to the School Refurbishment project through the redevelopment of the Early Years Playground.

The Fair Raffle is an important means of raising funds. This year, in addition to approaching local businesses for prize donations, we are also requesting support from students and parents to help identify the raffle prizes. If you run or work for a business in the service industry or company that manufactures goods, you may consider donating these items to the raffle. Alternatively, you may also consider donating monies in lieu. If you have any that will contribute to a great raffle, please contact our PTA/PTSA Administrators at the numbers below.

Sha Tin College PTSA Office: 2607-9110 or
Sha Tin Junior School PTA Office: 2697-4070.

Great examples of raffle prizes are: household and electronic items, spa products, clothing, and dining vouchers or other material items that may be of practical value to winners.

To comply with the government's requirement on raffle applications, we would appreciate if you could let us know your raffle donations as quickly as possible, because the deadline for prize notification is 24th September 2018.

The committee is confident that working together, the SJS & STC communities (students, parents, and teachers) will, once again, make Fair 2019 a meaningful and successful occasion.

Yours Sincerely,

Perry Tunesi
Principal
Sha Tin Junior School
