TO : Staff and Parents of
ESF Sha Tin Junior School and Wu Kai Sha Kindergarten

Dear parents and Colleagues

I wanted to write to tell you about some changes that will be happening within the Leadership Teams at your schools.

Chris Briggs, currently the Vice Principal at ESF Sha Tin Junior School has been successful in his application to become the new Principal of ESF Glenealy School.

We expect Chris to take up his new post at the start of the next Academic Year. This means that it is a time of change at the Sha Tin Junior. As you know Perry Tunesi is leaving us this month and the new Principal, Rehana Shanks, starts in August.

In order to ensure that the school is properly supported during this period of transition, we have today made two senior appointments.

Christopher Coyle, currently the Principal of ESF Wu Kai Sha Kindergarten, will join the Sha Tin Junior School Leadership team on an interim basis from August. Chris is one of our most experienced school leaders – with a track record of success at both the kindergarten and primary school level.

During the period of Chris's secondment to Sha Tin Junior, Helen Thomson, the current VP at Wu Kai Sha will become the interim head of the school. Helen is well known to the community and will do a great job in leading the school in the months ahead.

Derek Pinchbeck, a senior member of ESF's Education Team, will also join the Sha Tin Junior Leadership Team. Derek has a long history of senior education roles here at ESF and across the world.

Thanks to the strong leadership of Perry Tunesi and Chris Coyle, Sha Tin Junior School and Wu Kai Sha Kindergarten have some of the finest teachers in ESF. The work that they do for our students each and every day in their classrooms is quite extraordinary. This amazing work will continue and will, I have no doubt, be strengthened in the years ahead.

If you have questions or concerns, please do not hesitate to contact me.

Yours sincerely,
