

# Christmas Cookies Charity Sale

SJS PTA is committed to encouraging SJS students to take action in the community.

To support our school value of “**Making a Difference**”, we aim to connect with charity organizations to work with our children to encourage them to take action and make the world a better place. This year we will once again partner with the social enterprise project, iBakery to offer delicious Christmas cookies for sale. All proceeds donated to iBakery.

Details of iBakery are below and we would encourage all parents to discuss the project with their child.

iBakery was established in July 2010. It is a social enterprise operated by Tung Wah Group of Hospitals and is the first social enterprise in Hong Kong obtaining the accreditation of ISO 22000 Food Safety Management System. Being a 3-in-1 bakery comprising bakery production, bakery café and bakery classes, we are dedicated to train and employ people with disabilities through the production of safe and quality bakery products.

“I” represents our mission to promote social inclusion and our belief – “I can do it”. In iBakery, our employees earn not only their living, but also dignity and satisfaction. For more information, please browse their website (<https://youtu.be/sFhMBja3f0c>)
